ADDITIONAL TERMS & CONDITIONS REQUIRED BY ICANN AND REGISTRIES

11. **Terminology.** When ordering CDM Services, you are the registrant / registered name holder. Com Laude is the registrar.
12. **ICANN Rules and Registry Rules and Priority.** The CDM Services are subject to the rules and policies of ICANN in force from time to time, together with Com Laude policies mandated by ICANN (**ICANN Rules**) as well as the rules and policies of the relevant registry (including the Trademark Clearinghouse) in force from time to time (**Registry Rules**). ICANN Rules and Registry Rules are incorporated into this Agreement by reference. For your convenience they are also set out at <http://www.comlaude.com/legalterms>. Registry Rules and ICANN Rules are set by the relevant provider, may be updated from time to time, are applicable to all registrars, and are non-negotiable. To the extent of any conflict with this Agreement, ICANN Rules and Registry Rules prevail. You agree to abide by ICANN Rules and Registry Rules insofar as they apply to registrants and not to take any action that would cause Com Laude to contravene the ICANN Rules and Registry Rules (and, if your client is the registrant, to secure your client's agreement to the same).
13. **ICANN Rules.** ICANN Rules include the following:
 - (a) [ICANN Registrar Accreditation Agreement and specifications \(RAA\)](#). We draw your attention in particular to clauses 3.6, and 3.7.7.1 to 3.7.7.12. Where the ultimate beneficiary of our Services is not you but your customer(s), you are bound by the provisions of clause 3.12;

This information may only be accessed by ICANN if a registrar loses its ICANN-accreditation or ceases business (RAA 3.6).
15. **ICANN-mandated representations and warranties.** You represent, warrant and covenant that:
 - (a) to the best of your knowledge and belief, neither your domain registration, nor the manner in which it is directly or indirectly used, infringes the legal rights of any third party (RAA 3.7.7.9);
 - (b) you will not use any domain name or register any domain name with the intent to distribute malware, abusively operate botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting, or otherwise engaging in activity contrary to applicable law (Registry Agreement, Spec 11);
16. **ICANN-mandated dispute resolution policy.** You are bound by ICANN's [Uniform Domain Name Dispute Resolution Policy \(UDRP\)](#) and [Uniform Rapid Suspension Policy \(URS\)](#) together with [other ICANN dispute resolution policies](#) in force from time to time. For the adjudication of disputes concerning or arising from use of the domain name, you shall, and shall cause any registrant under your control to, submit, without prejudice to other potentially applicable jurisdictions, to the jurisdiction of the courts of (i) your domicile and (ii) where Com Laude is located (RAA 3.7.7.10).
